8. PERSONNEL ADMINISTRATION

8.4 Adoption of Resolution #11 1516, Reduction of Classified Service

BACKGROUND INFORMATION: The transportation routes and needs continuously change due to number of students and their needs.

CURRENT CONSIDERATIONS: The proposed elimination and/or reductions are a result of efficient scheduling of bus routes in the bus bid process, reducing the number of hours transportation monitors are needed.

California Education Code sections 45101, 45114, 45117, and 45308 authorize a school district to layoff classified employees due to a lack of work and/or lack of funds upon sixty (60) days prior notice. Resolution #11 1516 calling for reduction of classified services for the 2015-16 school year is presented for adoption due to lack of work. The reduction will become effective December 15, 2015.

FINANCIAL IMPLICATIONS: The district estimates that it may be able to save as much as \$2,420 with the reductions and elimination of the positions identified in Resolution #11 1516 with no change in health and welfare.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the Board of Education adopt Resolution #11 1516 reducing classified service as presented.
