10. CONSTRUCTION ADMINISTRATION

10.5 Approval of Proposal for the Relocation of the Contents of Building C for the Burroughs High School Modernization Project

BACKGROUND INFORMATION: In December of 2012, the district received a grant from the Department of Defense (DoD) - Office of Economic Adjustment (OEA) for approximately thirty-one million dollars for the modernization of Burroughs High School (BHS). In response to that grant, the district initiated design and construction phase services to complete execution of the project. During the course of construction, it is necessary to enlist a professional mover to move classroom contents and equipment from one location on campus to another.

CURRENT CONSIDERATIONS: Since this is a service and does not need to be advertised, the district solicited a proposal from a local Ridgecrest company, Ridgecrest Moving & Storage Co., that had provided excellent similar services for the Burroughs High School modernization project. Previously, emails had been sent to multiple companies requesting proposals, but none responded.

Ridgecrest Moving & Storage's proposal is for moving the contents and equipment from Building C in order to empty it for construction activities and placing them in their temporary locations in preparation for student use during the construction of the renovations to Building C.

FINANCIAL IMPLICATIONS: The total of the proposal is a fixed fee of \$23,475.00 including packing materials and instructions. Funding for this expense shall be 80% from the Burroughs High School DoD grant funds and 20% from district matching funds including Fund 25.

SUPERINTENDENT'S RECOMMENDATION: The superintendent recommends that the board approve the proposal from Ridgecrest Moving & Storage Co. for moving services for Building C as part of the Burroughs High School modernization project.
