Principal's Message

At Las Flores Elementary School we are committed to providing the best learning opportunities possible to help all of our students achieve academic success. Through our Professional Learning Community and our partnership with parents, we provide excellent learning opportunities for all students. We encourage parents to become involved by joining our PTO or School Site Council (SSC), by visiting, or by volunteering in the classroom or in school wide activities.

Las Flores was selected as a 2004 California Distinguished School Honorable Mention. We were also awarded as California Distinguished School in 2006, 2009, and 2014. In 2016 we were a California Gold Ribbon School and a Title 1 Academic Achievement Award recipient. We are a school wide Title I school.

We continue to provide a Response to Intervention plan that targets the needs of at risk students in English Language Arts and at risk math students. We also continue the implementation of our behavior support system known as PBIS (Positive Behavior Intervention Support) which includes school wide rules (Pride, Awareness, Wise Choices and Safety), the DOJO system that reinforces positive behaviors, monthly assemblies, and monthly rewards.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The district chooses textbooks from lists that have been approved by the State Board of Education for Grades K-8. Sierra Sands Unified School District holds an annual public hearing prior to the eighth week of school to determine textbook and instructional materials sufficiency.

School Facility Conditions and Planned Improvements (Most Recent Year)

Buildings

Our school comprises four buildings that include 22 classrooms, a media center, a computer lab, and a cafeteria. Overall our facilities are in good condition. The Las Flores buildings and grounds were renovated during the 2000–2001 school year. We installed new playground equipment on the primary and intermediate playgrounds. During the 2002–2003 school year we added new drinking fountains to primary and intermediate playgrounds and renovated the kitchen. New playground equipment was added to the primary and kindergarten playgrounds in 2007–2008. Our school underwent modernization and was completed by the 2012-13 school year.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

Library

Our media center works closely with classroom teachers to ensure that literature and instructional materials are aligned with the California Content Standards. Students have 30 minutes in the media center each week.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 12/2018

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Kitchen: Evaporator cooler dilapidated.
Interior: Interior Surfaces	Good	Office: Conference room needs ceiling cover plates. Computer Lab: Hole in west wall, hole in north wall where clock was.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No apparent problems.
Electrical: Electrical	Good	Portable Classroom 18: NW corner data plates need to be fixed.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Portable Classroom 22: Fountain needs to be adjusted.
Safety: Fire Safety, Hazardous Materials	Good	No apparent problems.
Structural: Structural Damage, Roofs	Good	Library: Roof leaks on West side of room.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No apparent problems.
Overall Rating	Exemplary	Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	59.0	56.0	50.0	48.0	48.0	50.0
Math	42.0	45.0	33.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	17.9	21.8	46.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

English Learners	27	27	100.00	55.56
Students with Disabilities	16	16	100.00	18.75

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are actively involved in our classrooms and are encouraged to volunteer. We include parents in our decision-making process and ask for their input when developing school goals and objectives. Our school represents the values of students, families, teachers, and the local community.

Our PTO has more than 150 members. The School Site Council includes both parents and school personnel, and it helps develop, carry out, and monitor the school plan. We updated the Single School Plan for Student Achievement and the School Safety Plan with input from these two parent groups and from an annual survey of all parents. Parents and community members volunteer in our classrooms and library, and they support such schoolwide activities. Volunteers from the Ridgecrest Presbyterian Church provide a Homework Club on Mondays and Thursdays. We also offer monthly Family Nights on campus. The contact person for parent involvement is our PTO President, Brooke DeWolfe; she can be reached at (760) 499-1860.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Staff members supervise students 15 minutes before and after school and during all recesses. Nine supervisors keep the playground safe during lunch recess. We require all visitors to sign in at the office and wear badges. School personnel participate in monthly site and district safety meetings. We update our School Safety Plan annually. We developed our crisis-response plan with local law enforcement agencies. We hold regular fire, earthquake, bus, and lockdown drills.

Suspensions and Expulsions

School	2015-16	2016-17	2017-18
Suspensions Rate	1.1	1.8	1.0
Expulsions Rate	0.2	0.2	0.0

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Sierra Sands Unified School District provided a minimum average of 3 days (or eighteen hours based on 6 hours/day) of professional development throughout the 2016-17, 2017-18, and 2018-19 school years. The primary/major areas of focus for professional development include but are not limited to: full implementation of adopted programs, alignment to Common Core State Standards, identification and implementation of best instructional practices, technology proficiency, and data analysis of student performance. Additionally, sites provide professional development throughout the year as outlined in the School Plan for Student Achievement. Areas of focus were selected based up on department needs, CAASPP results, Interim Assessment Block (IAB) results, and Dashboard results. Professional development is delivered a variety of ways including but not limited to conference attendance, contracted professional development/SSUSD Instructional Coaching delivered within the contractual work day, individual instructional coaching, and after school workshops.

Types of Services Funded

Title I federal monies are used to supplement the educational programs offered to students through a full time Title I teacher on special assignment. This allows for systematic collaboration and intervention/smaller instructional groups, staff development, and parent involvement programs. We receive funding to supplement school programs from sources such as our PTO, Kiwanis, and Box Tops for Education. We have used these funds to improve school facilities, including the library, and to develop and implement diverse intervention programs for students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
