Principal's Message

At Gateway Elementary School, we value learning as a lifelong, active process, where thinking and action are encouraged in order to create individuals who are academically literate. Our school climate serves as a magnet to draw students, parents, and staff together to work as partners to create the best environment for learning. We encourage each other to achieve our maximum potential, and we recognize that each member of the team has unique gifts and that all participants are valued for their contribution.

Exemplary educational practices based on the California Common Core Standards are very important to all of us. Ongoing teacher collaboration in professional learning communities among and across grade levels helps to ensure success for all students. At Gateway, we focus on accelerating academic achievement, developing positive behavior, and encouraging parent participation.

Margaret H. Bergens, Principal

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district chooses textbooks from lists that have been approved by the State Board of Education for Grades K-8. Sierra Sands Unified School District holds an annual public hearing prior to the eighth week of school to determine textbook and instructional materials sufficiency.

School Facility Conditions and Planned Improvements (Most Recent Year)

Gateway Elementary opened in August 1992 and is in excellent condition. Our campus is comfortable and has adequate-sized classrooms. We have a grass field for baseball and soccer; areas for tetherball and basketball; and playground equipment in a sand area. We have grade level rotation lunch breaks to alleviate crowding. There are two daytime custodians who keep our facilities clean. All classrooms and rest rooms are cleaned daily. District maintenance maintains landscaping once a week.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

Library

Our library is the hub of our school. One wall of the library opens to expand into a multipurpose room. Our primary books are on rolling bookcases to maximize the usability of the room. We have over 10,000 volumes and continually weed through and update our collection. We add approximately 200 new books every year with funds from the Book Fair profits and the PTO. Our circulation is fully automated and students have access to two computers for Accelerated Reader testing, research, and looking for books.

Our library is staffed with a library specialist, who provides standards-based instructional activities and weekly book checkout for all classes. The library is open to all students during the school day and remains open until 2:30 p.m. to allow parents and individual students the opportunity to check out books, do research, or take Accelerated Reader quizzes.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| Math | 39 | 51 | 32 | 36 | 38 | 39 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Our school's annual plan and some budget approvals are made by our School Site Council (SSC), which aims to help improve student achievement and to support school activities. Our English Language Advisory Committee (ELAC) is an advocacy group for families of students learning English. Our active PTO provides educational assemblies, volunteer programs, and assist in our Junior Olympics. New members are always needed. Room parents organize parent volunteers to help with special projects in the classroom and chaperone on field trips. We ask all parents to attend Back-to-School Night and our Annual Title 1 meeting in the fall, Open House in the spring, and parent-teacher conferences in November and March. Any parent who wants to get more involved in school activities can email the principal at mbergens@ssusd.org or call Margaret H. Bergens at (760) 499-1850.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Staff members monitor the school grounds 15 minutes before and after school as well as at morning and afternoon recesses. Paid recess monitors watch the children during all lunch periods beginning at 11:15 a.m. and ending at 1:00 p.m. Teachers regularly review the school's 3 B's: Be Safe, Be Responsible, and Be Respectful. These expectations are explicitly taught to ensure responsible behavior in school and on the playground. Visitors must sign in at the office and wear a visitor's badge during their stay.

A comprehensive safety plan is in place. We coach students in safe practices throughout the year to ensure the security of all and practice disaster drills at regular intervals. We inspect our playgrounds and equipment regularly to ensure a safe environment. We update Gateway's safety plan and policies yearly to accommodate new staff members and address new concerns. The safety plan assures each student and staff member a safe physical environment and a respectful, accepting, and emotionally nurturing environment. The plan outlines procedures to effectively respond to disasters or dangerous situations. It also provides each student with resiliency skills.

The primary/major areas of focus for professional development include but are not limited to: full implementation of adopted programs, alignment to Common Core State Standards, identification and implementation of best instructional practices, technology proficiency, and data analysis of student performance. Additionally, sites provide professional development throughout the year as outlined in the School Plan for Student Achievement. Areas of focus were selected based up on department needs, CAASPP results, Interim Assessment Block (IAB) results, and Dashboard results. Professional development is delivered a variety of ways including but not limited to conference attendance, contracted professional development/SSUSD Instructional Coaching delivered within the contractual work day, individual instructional coaching, and after school workshops.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The PTO allocates money annually to each teacher. Each year Kiwanis sponsors a walk-a-thon, and a portion of the money is given back to each classroom. Title I funding is used to provide additional support through the Collaboration and Intervention Model and additional learning experiences before, during, and after school hours to under-performing students. This additional instruction helps them to achieve mastery of the common core state standards. Title I funding also provides a full time project teacher and a Kindergarten paraprofessional for three hours daily to support students and staff. Based on assessment data, staff members provide intervention to students who are not mastering standards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
