Textbook Recommendations Available for Public Inspection

Selected instructional materials being considered for adoption by the Sierra Sands Unified School District are available for public inspection. The instructional materials will support the subject area of World Language—Spanish for Native Speakers high school course.

The recommended textbooks are the result of an extensive review process which involved teachers in a substantial manner and the District Instructional Materials Review Committee. Recommended textbooks are scheduled for consideration for adoption by the Sierra Sands Unified School District Board of Education at its regular meeting on May 16, 2019 at 7:00 p.m. in the Ridgecrest City Council Chambers.

The materials may be viewed at the Textbook Depository located at 1327 North Norma Street, Sierra Vista Education Center, Monday through Friday from 7:00 a.m. and 4:00 p.m.

Contact Diane Pipkin, Textbook Technician, at 499-1728, for additional information.
