

**Community  
Meeting  
Internet  
Safety**

**Join us on  
February 6 at  
7:00 p.m.**

**at the  
Parker Performing Arts  
Center  
at  
Burroughs High School**

**Sierra Sands  
Unified School District**

Sierra Sands Unified School District will host a presentation on Internet Safety for Parents, Teachers, and School Staff. This important informational session will include a presentation by Elvie Martinez, Kern County Crime Prevention Specialist, and is designed for anyone working with youth. Kids may have access to cyberbullying, chatting with strangers online, posting personal/sensitive information, and can be involved in other risky online behaviors. This presentation will focus on increasing awareness and closing the gap between the activities of pre-teens/teens on the internet. It is our goal to keep our parents and community stakeholders informed.

~ Ernie Bell, Superintendent
