## **Community Meeting**

**Join us on  
April 17 at  
6:00 p.m.**

**at the  
Parker Performing Arts  
Center  
at  
Burroughs High School**

Sierra Sands Unified School District will host an informational presentation and panel discussion on substance abuse in the Indian Wells Valley. It is our goal to keep our parents and community stakeholders informed on realities in our community. This important informational session will include a presentation by the Kern County Crime Prevention Specialist Ashley Glover followed by a panel discussion on adolescent substance abuse and issues of concern in our community. Information on current trends, examples, services available, and what to look for when identifying possible substance abuse situations will be provided. Adolescent substance abuse is on the rise in our schools and community. Several of our community leaders have been asked to share information and resources about this subject to assist those in need.

~ Ernie Bell, Superintendent
