

2015-16 APPROVED SES (SUPPLEMENTAL EDUCATION SERVICE) PROVIDERS

SIERRA SANDS UNIFIED SCHOOL DISTRICT

Program Improvement (PI) schools in their second year or more are required to offer Supplemental Educational Services (SES). Currently, SSUSD PI schools are **Faller Elementary, Pierce Elementary, and Richmond Elementary**. The Supplemental Educational Services are FREE tutoring programs offered outside of the regular school day to students who qualify for free/reduced lunch. Parent(s)/Guardian(s) have the option to choose from the district list of state approved providers offering tutoring services within the District. If your student meets the federal income guidelines, this tutoring is provided at no cost to the student/family; priority will be given to the lowest performing students. If the demand for tutoring exceeds the level that funds can support, priority is given to the lowest- achieving students requesting these services.

Additional provider information can be viewed at the California Department of Education website at: <http://www.cde.ca.gov/ta/ac/ti/ap/providers.aspx>.
