

Local Control Accountability Plan Educational Partner Engagement

Sierra Sands Unified School District
May 2023

Agenda

- Local Control Funding Formula (LCFF)
- Local Control Accountability Plan (LCAP)
- California School Dashboard and District Identified Needs/Priorities
- Differentiated Assistance
- 23-24 LCAP Considerations
- Educational Partner Input

What is the Local Control Funding Formula?

The 2013 Local Control Funding Formula (LCFF) was the most significant change in California's K-12 funding system in 40 years. One goal of the LCFF is to improve academic outcomes by targeting more money to school districts that serve high-needs* students. Another goal is to give districts local control to decide how to spend education dollars, and hold them accountable for getting results.

Base 2023-24

- K-3rd \$10,951
- 4th-6th \$10,069
- 7th-8th \$10,367
- 9th-12th \$12,327

Supplemental +20%

For each grade span, Base Grant or Adjusted Base Grant per ADA**, times total funding ADA, times Unduplicated Pupil Percentage (UPP*), times 20%

Concentration 65%

For each grade span, Base Grant or Adjusted Base Grant per ADA, times total funded ADA, times portion (if any) of UPP that exceeds 55%, times 65%

*High-Needs/Unduplicated Students = English Learners, Socioeconomically Disadvantaged, Foster Youth

**ADA = Average Daily Attendance

Local Control Accountability Plan

The Local Control and Accountability Plan (LCAP) is a critical part of the new Local Control Funding Formula (LCFF). The LCAP:

- Describes the overall vision for students, annual goals and specific actions the district will take to achieve the vision and goals.
- Addresses the needs of all students and specifically Low Income, English Learners, and Foster Youth.
- Must link the district plan with the district budget.
- Must address California's eight priority areas:

1. Basic Services

2. Implementation of State Standards

3. Parent Involvement

4. Pupil Achievement

5. Student Engagement

6. School Climate

7. Course Access

8. Other Pupil Outcomes

Districts must “consult with teachers, principals, administrators, other school personnel, local bargaining units of the school district , parents, and pupils” in developing the LCAP.

California School Dashboard Informs the LCAP

The [California School Dashboard](#) is the accountability tool that shows how districts and schools are performing on multiple indicators.

The Dashboard

Identifies areas of strength/progress and areas of need.

Local Data

Provides the district and educational partners with additional data to inform decision-making, prioritizing, and planning.

The LCAP

The vehicle for the district and educational partners to review progress and articulate plans to address areas of identified need and communicate the plan to educational partners.

See Appendix A for Getting to Know the Dashboard resources.

SSUSD Dashboard Success/Progress and Identified Needs

What does our Fall 2022 Dashboard data show? Which student groups may need more support? In what areas? UPP = ,  = Relative Progress (as compared to All Students) ,  = Identified Need

2023-24 LCAP Expenditure Considerations

LCAP Expenditure Requirements:

- Funding shall be used to improve or increase services for unduplicated pupils as compared to the services provided to all pupils.
- An LEA (District):
 - shall include in its LCAP an explanation of how expenditures of such funding meet the LEA's goals for its unduplicated pupils in the state priority areas
 - must describe in the LCAP how such services are principally directed towards, and are effective in, meeting the district's goals for its unduplicated pupils in the state and local priority areas.

LCFF Budget Overview

2022-23 \$5,679,301 Estimated Expenditures

2022-23 \$5,273,757 Actual Expenditures (-\$405,544)

2023-24 \$6,238,916 Projected LCAP Apportionment*

2023-24 \$7,513,675 Estimated Expenditures

*Based on the enrollment of English Learner, Socioeconomically Disadvantaged, and Foster Youth (Unduplicated Pupil Percentage/UPP)

2023-24 LCAP DRAFT ACTIONS

2023-24 LCAP INPUT

- Consider deepening implementation of current actions (with a focus on social emotional and behavioral supports) to align to the Differentiated Assistance Theory of Action.
- Consider future additional actions such as social emotional and behavioral counselors at Burroughs High School to improve Tier 1 (“all” students) and Tier 2 (“some” students/groups) support.
- Increase community partnerships to develop mentoring relationships with students (past programs: Cerro Coso athletes, Community Support Programs: Navy Region Southwest/Partnership in Education (PIE), etc.)
- Provide supplemental supervision and student engagement opportunities during recess
